

TED TALK

1. Research:

- Select an interesting topic about software that could engage your audience
- Research about it

2. Writing (2 - 4 pages, double spaced, font: times-12)

- A strong opening (hook) to get audience engagement (personal story)
- Introduction to the topic
- Detailed information about your topic
- A strong conclusion
- Citation page

3. Presentation

Prepare a few slides to present your Ted Talk (3 to 5 minutes)
